

# Witch Doctor #2

(Cantaloupe Pheno)

HYBRID

The #2 phenotype features Malawi Memory Loss visual traits with licorice and sweet cedar flavors and tighter Marie Laveau structure.

## LINEAGE

Marie Laveau x Malawi Memroy Loss

## MAIN TERPENES

**B-Myrcene:** May provide relaxation and sedation, act as appetite stimulant, help with insomnia, pain and inflammation

**Ocimene:** May act as antiviral and antifungal, antiseptic, decongestant, and antibacterial

**B-Caryophyllene:** May provide stress and pain relief, act as sleep aid, antibacterial, and antioxidant, and provide muscle spasm control
